Practice Anytime, Anywhere

Take your golf game to the next level with our premium indoor putting greens. Designed for homes, offices, and professional practice spaces, our greens give you the realistic feel and challenge of a real golf course—anytime, rain or shine.

Indoor Putting Greens

Experience the perfect combination of smooth ball roll, true-to-life turf texture, and customizable layouts that simulate real course conditions. From short putts to longer strokes, our indoor greens help you refine your technique, improve accuracy, and build confidence on every shot. Compact enough for your living room, yet high-performing enough for professional training, our greens are designed for golfers of all skill levels who want to practice smarter, not harder.

FLAT BED PUTTING GREEN

Advanced Greens (300-360 cm)

Long mats designed for practicing longer putts with precision.

- Long mats for practicing longer putts.
- High-quality turf with consistent speed.
- Comes with putting cup, alignment aids, and optional trainer tools.
- Perfect for golfers preparing for competitions or serious training.

FACT

Practicing regularly—even for just 10-15 minutes a day—can dramatically improve your putting accuracy and consistency. Fun fact: Professional golfers spend up to 80% of their training time on putting because short strokes can make or break a game. The more you practice, the more your muscle memory develops, helping you sink putts effortlessly under pressure.

3. Pro & Custom Greens – Dedicated Golf Training

Designed for serious golfers and professional training setups, these large mats offer realistic putting experiences with L-shaped, circular, or fully custom layouts. Premium turf provides adjustable speed and true-to-life ball roll for maximum skill development. Each setup includes putting cups, alignment aids, and advanced training tools to challenge every stroke. Perfect for coaches, training facilities, or golfers who want the ultimate practice environment.

CUSTOM SHAPES

- L-shaped, circular, or unique designs to simulate course conditions.
- Premium turf with adjustable speed for realistic play.
- Includes putting cup, alignment aids, and advanced training tools.

FULL STUDIO SETUP

- Large-area mats covering full practice rooms.
- Designed for professional golfers, coaches, and training facilities.
- Offers maximum challenge and skill development opportunities.
